

Subject: Visit to Layer Marney Tower

Dear Fellow members of Probus,

Peter-Ryan Finch have arranged a group visit to Layer Marney Tower, near Colchester Essex CO5 9US (just off the B1022 Colchester to Maldon Road 9 miles from Maldon)

The Tower and attractions in the grounds will be open just to us on Thursday 20th April 2023 (we will have the whole place to ourselves). The cost will be £30 each and you are welcome to bring your wives and partners too. The price includes lunch and a full tour of the Tower with a guide to tell us historical and amusing stories about the Tower and its history (built in about 1523 with 109 steps to the top and plenty of rest stops) There are several attractions and exhibitions on site including the parish church, fifteenth century wall paintings, knights crowns and crests and the gardens.

We need to get there in our own cars (parking on site). Those of you with good memories will remember that I said at our January meeting that it would cost £39 but it will now only cost £30 per head. Also I have changed the date by one day to Thursday 20th April so that we can have exclusive use of the whole site (when it is not open to the public). We will arrive at 11.00 am and leave at 4 pm.

I need firm numbers so please bring the completed attached booking slip and your cheque payable to Dengie Hundred Probus Club with you to our next Probus Lunch meeting on 9th February.

Regards, Peter

Peter Ryan-Finch (Probus Visits Secretary)
